

FURNITURE WAREHOUSE

We all deserve a Second Chance!

**We need your help so
we can help others!**

If you have items that you have used and enjoyed and want to pass them on to someone else, we can arrange to give them a second chance.

This also helps people in need in our community to get a second chance - with dignity!

Please donate any quality furniture, bric-a-brac or household goods. We accept anything in good, saleable condition.

- Fridges, freezers, washing machines, TVs and any electrical items
- Lounges, tables, chairs, beds and other household furniture
- Bedding, crockery, cooking utensils, clothing

We are very grateful for the kind and generous sponsorship of fantastic local companies and their Charitable Foundations. Companies like Coopers Brewery and CMV who donated our collection and delivery truck.

It is easy to help us help others!

We rely on the kind support of many generous people and organisations. It is easy to offer your support.

- Donate pre-loved furniture, household goods, bric-a-brac, whitegoods, crockery, clothing, cooking utensils, bedding or linen.
- Help by purchasing bargain priced items at our Furniture Showroom/Warehouse or Op Shop.
- Simply 'like' us on our Facebook page, subscribe to our newsletter updates or tell your friends. Help to spread our message.
- Even passing this brochure on to someone else is a most welcome gesture that will also give it a second chance!
- If you are in business, consider us in your philanthropic activities. Perhaps goods, services or cash?
- Make a financial donation. Visit our website www.secondchances.org.au to donate online or just call us on (08) 8352 7722.
- Help by nominating us as a beneficiary in your will. We have details on our website about that.

We collect good quality and useful furniture, appliances, household items, bedding and clothing that can be offered with dignity and re-homed.

If you are looking to buy any household items, drop into our Furniture Showroom/Warehouse or the Op Shop. We have new bargains arriving regularly and all proceeds from sales contribute to the work we do.

Sales at our Richmond Furniture Showroom/Warehouse and our Op Shop at Sturt help us provide support to other great charities and organisations in South Australia.

- Anglicare SA
- Baptist Care
- Dept. of Correctional Services
- Disability SA
- Housing SA
- Junction Australia
- Life Without Barriers
- Marion Life
- Mind Australia
- OARS
- SA Health
- Uniting Communities

Don't forget to check out our Facebook page and 'like' us there.

We are a volunteer driven charity that enthusiastically helps to restore hope and dignity to people in our community.

We are low cost and results driven.

We work with prisoners that may have made some poor choices and we especially work with their families and children who are left to face hardship through no fault of their own.

Our resources and facilities enable us to support and work with a wide variety of groups that also help people that are experiencing difficult times.

Everyone deserves a second chance and we are here to help them make that a reality.

'We want to help our clients and the community with quality household goods that we can offer to them with dignity. Or sell to raise much needed funds for our kid's programs and other support initiatives.'
Helen Glanville CEO

If you are upgrading or having a clean out and would like to donate your good quality furniture, whitegoods, linen, electrical appliances, crockery or any other useful household items, we can collect them at a time that is convenient for you.
