

Second CHANCES SA Restoring

Summer 2022/23

Will you be an *Angel*?

Christmas Angels is a special program run by **Second Chances SA** ensuring children of prisoners are remembered at Christmas time.

Your donation to **Christmas Angels** provides a child with two brand new, beautifully-wrapped presents – all for just \$45 per child.

Christmas Angels presents are delivered to six State prisons for imprisoned dads and mums to give to their children in person.

Your gift this Christmas will have a real impact on some of the most vulnerable children and families in South Australia.

One Second Chances SA volunteer attended the Adelaide Pre-Release Centre last Christmas. She saw how the few children exploded with joy when their imprisoned parent picked up their presents from under the tree in the Visits Area.

She said, 'I was so proud to be associated with Second Chances SA because, I witnessed first-hand the quality of the Christmas Angels presents selected for these children. The joy and excitement of those kids was palpable, but so too was the excitement and entertainment experienced by the imprisoned parent.'

Adapting to Change

They say some people don't like change, while some people resist change and others thrive on making the changes. Like it or not, change will come just like the change we experience with the change of seasons. We've experienced changes we were not expecting, like a longer winter before spring arrived.

As sure as the sun rises and the earth turns, change will come. This includes leadership change, volunteer changes and changes to the way we do business.

The most important thing about change is that we adapt within our **core values, policies and procedures**. These are the things

which give us guidance and stability. While we as a charity definitely need extra funds to continue the work, we also need the right people; people who are committed to the cause and are driven by compassion for the disadvantaged children we support.

Finding the right people to volunteer on **our Board**, to support our governance team, and finding the right volunteers for both the **Op Shop and the Furniture Warehouse** is essential for the sustainability of our charity.

Finding the right volunteers to become leaders at our **Mentoring Camps** is also critical to the sustainability of this program

impacting up to 50 plus children each year.

We need wisdom and care when we make appointments in all these areas. If you, or your friends would like to join our team in any capacity, ask them to give me a call to ensure there is a right fit and we adapt well to making any changes.

Chief Executive

Our Birthday Star

Our volunteer **Birthday Stars** Co-ordinator **Val Bools**, has been awarded a certificate of appreciation for her service to Second Chances SA. Val continues to oversee the distribution of Birthday Stars presents throughout the year to children of prisoners.

Across the 2021/2022 financial year 251 Birthday Star presents were sent to children on behalf of their imprisoned parent, reminding them they are valued and loved on their special day. Donations of \$40 per child enables us to empower parents – keeping families strong and connected.
